SH

South High School
Denver, Colorado

To Miss Rosa Schoder, who for many years worked faithfully and tirelessly for the girls and boys of our school, we dedicate this book.

Though we leave South, we will carry with us memories of these three joyful and yet serious years, wherever we may venture. And with one who has preceded us, we wish to share these memories, in a profile drawn from the blueprints of the past, and perhaps retouched with the imagination of the future.

To the glory of our high school

we sing our praises true;

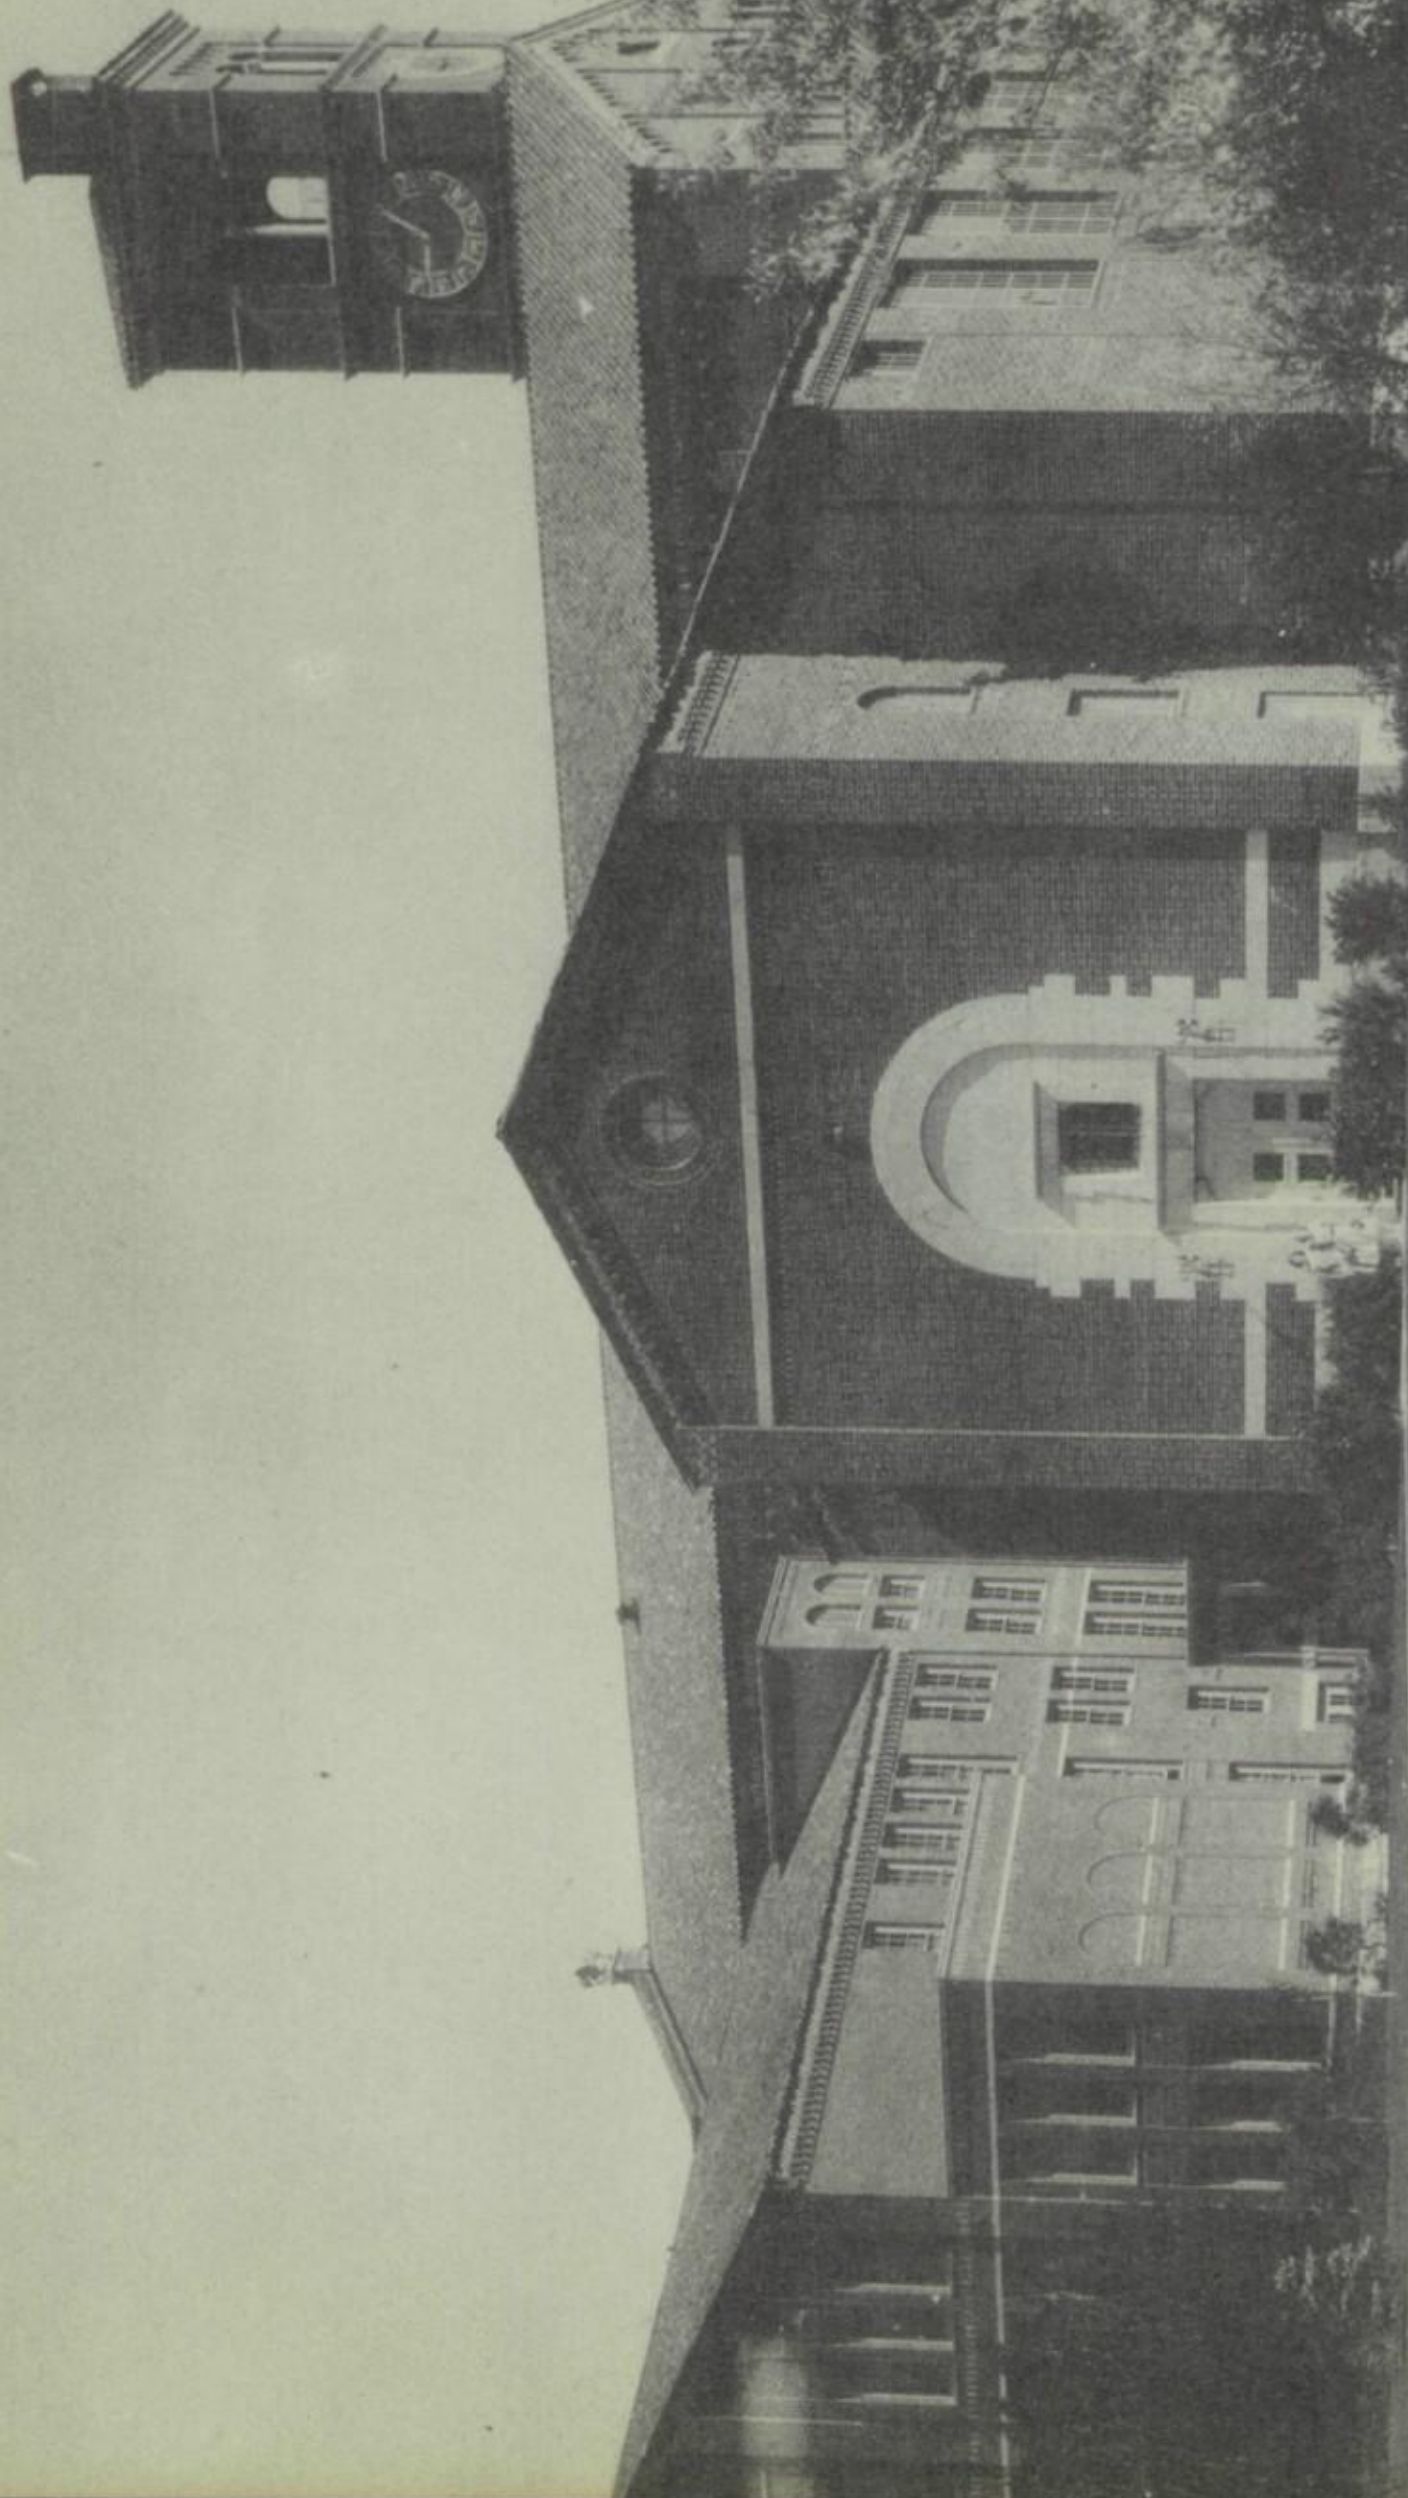

To thee, our Alma Mater,

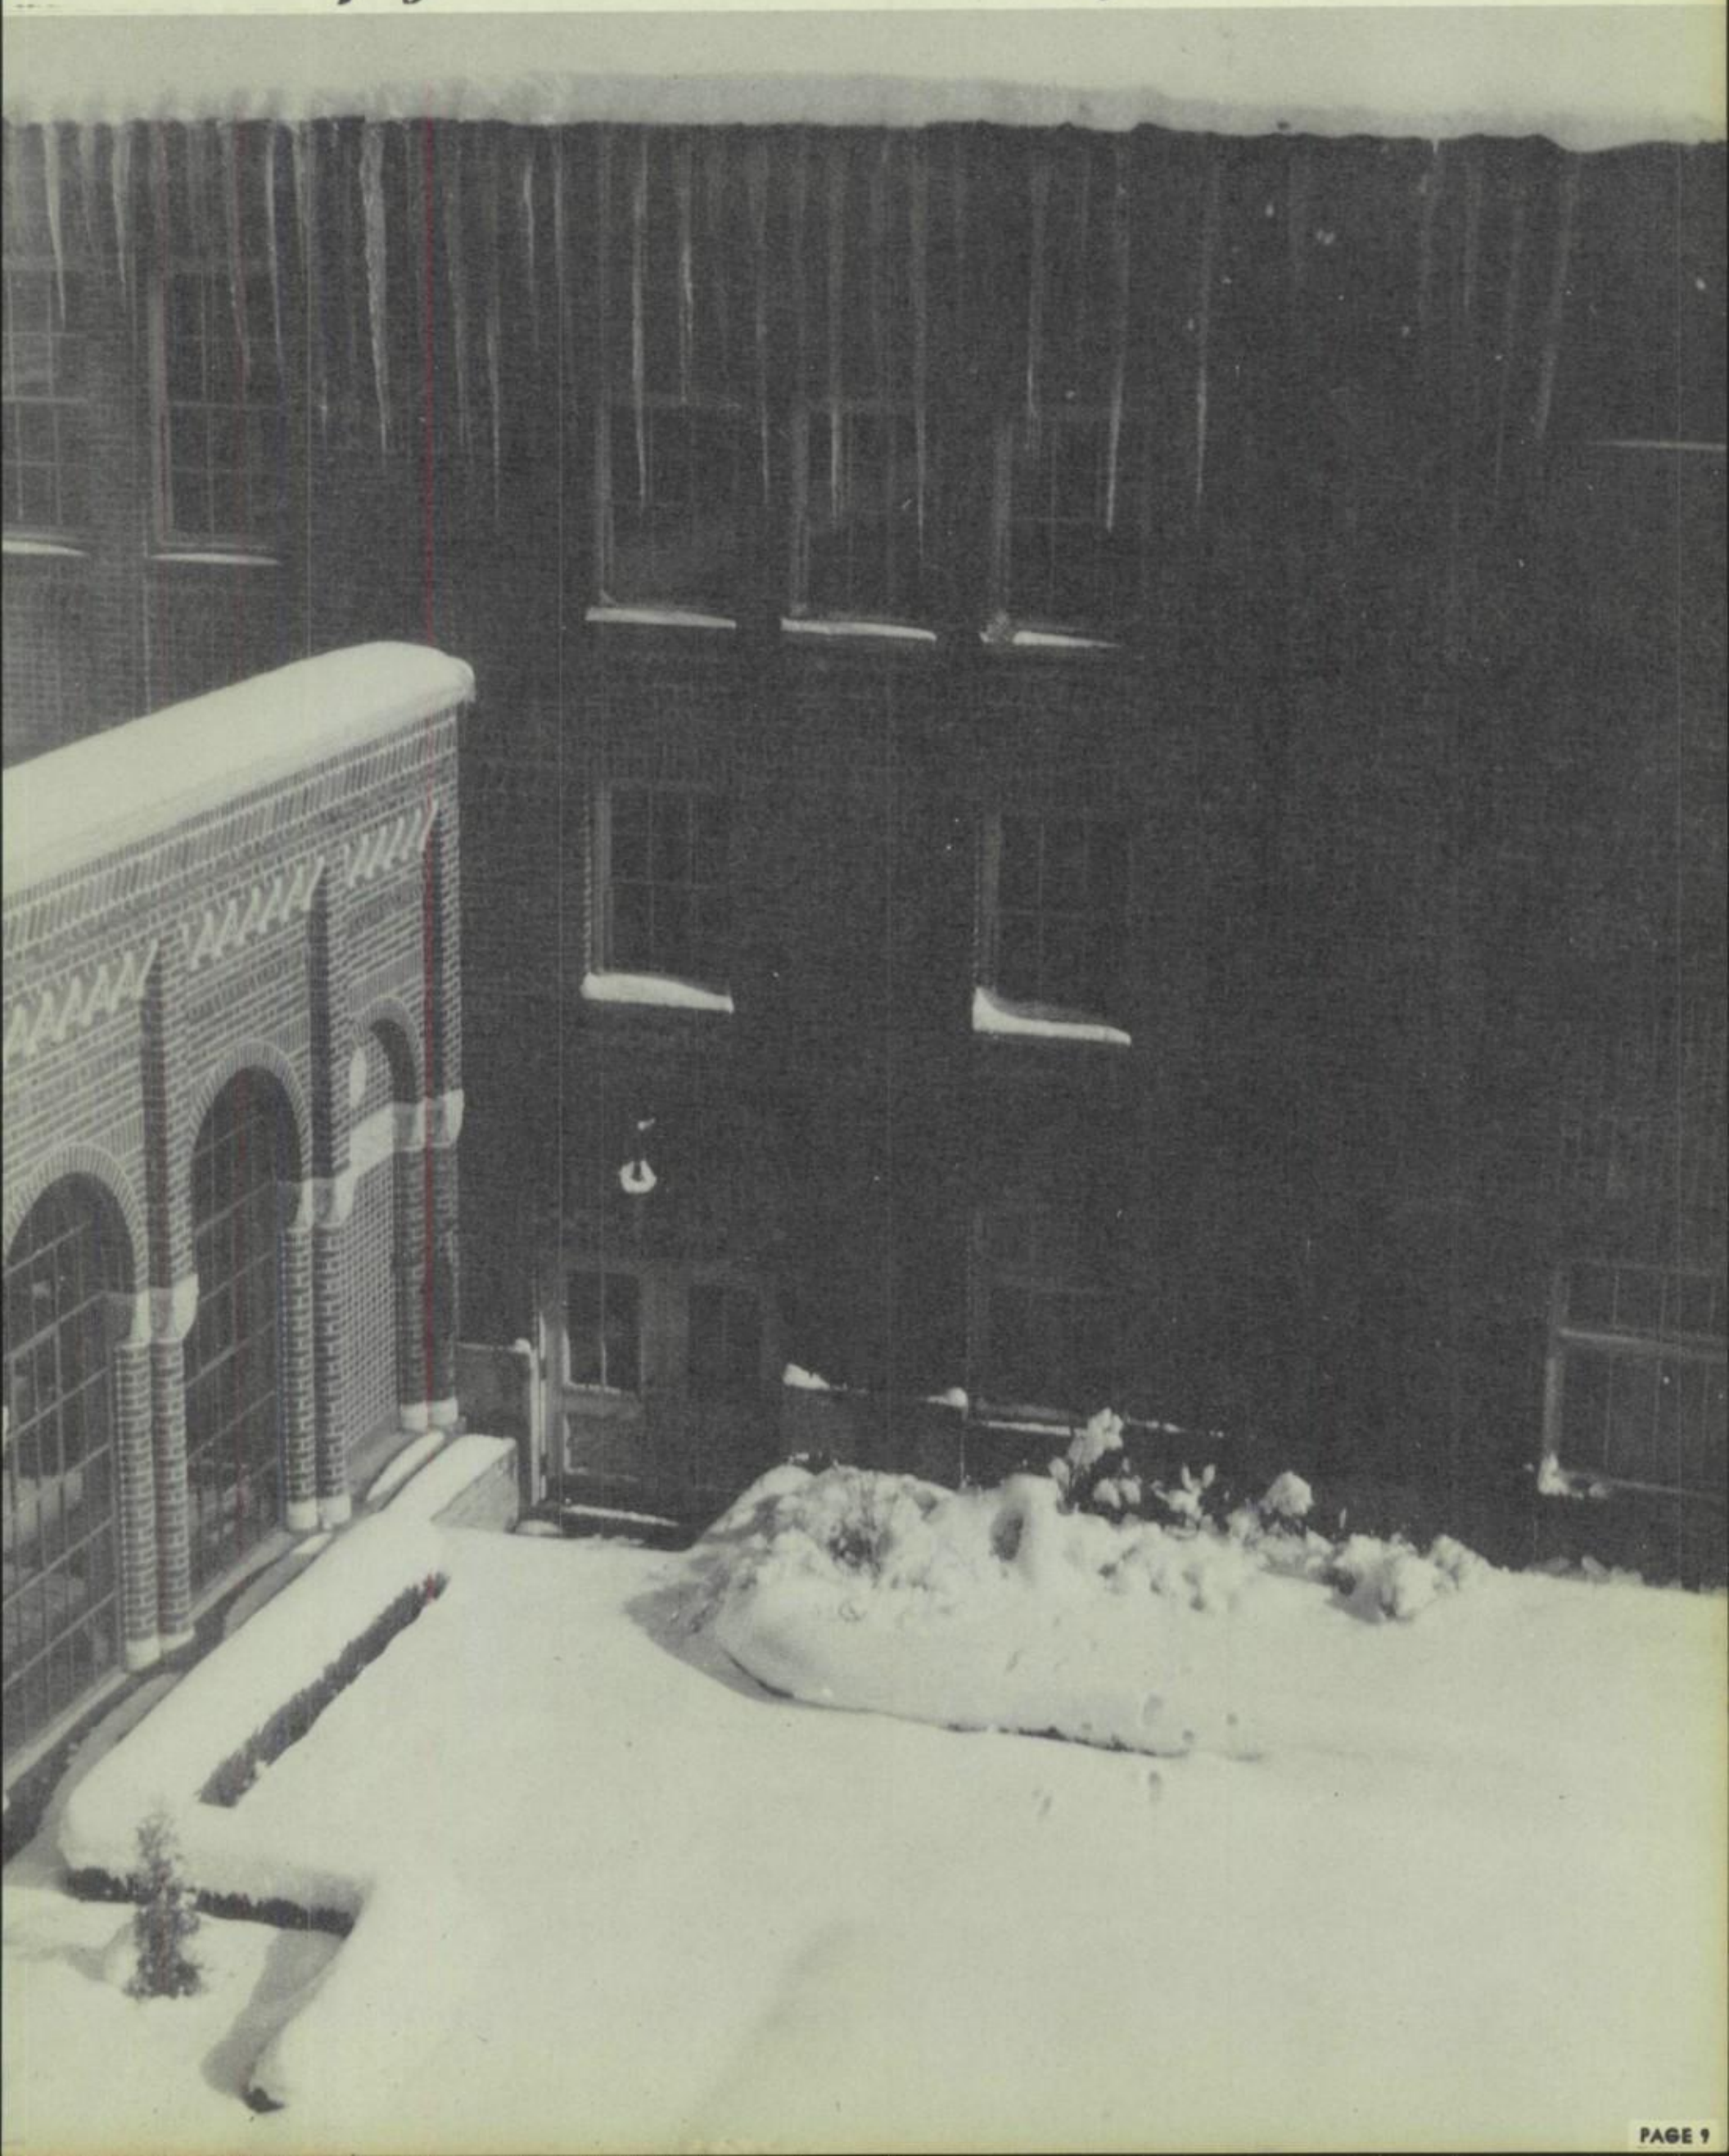

we pledge allegiance, too;

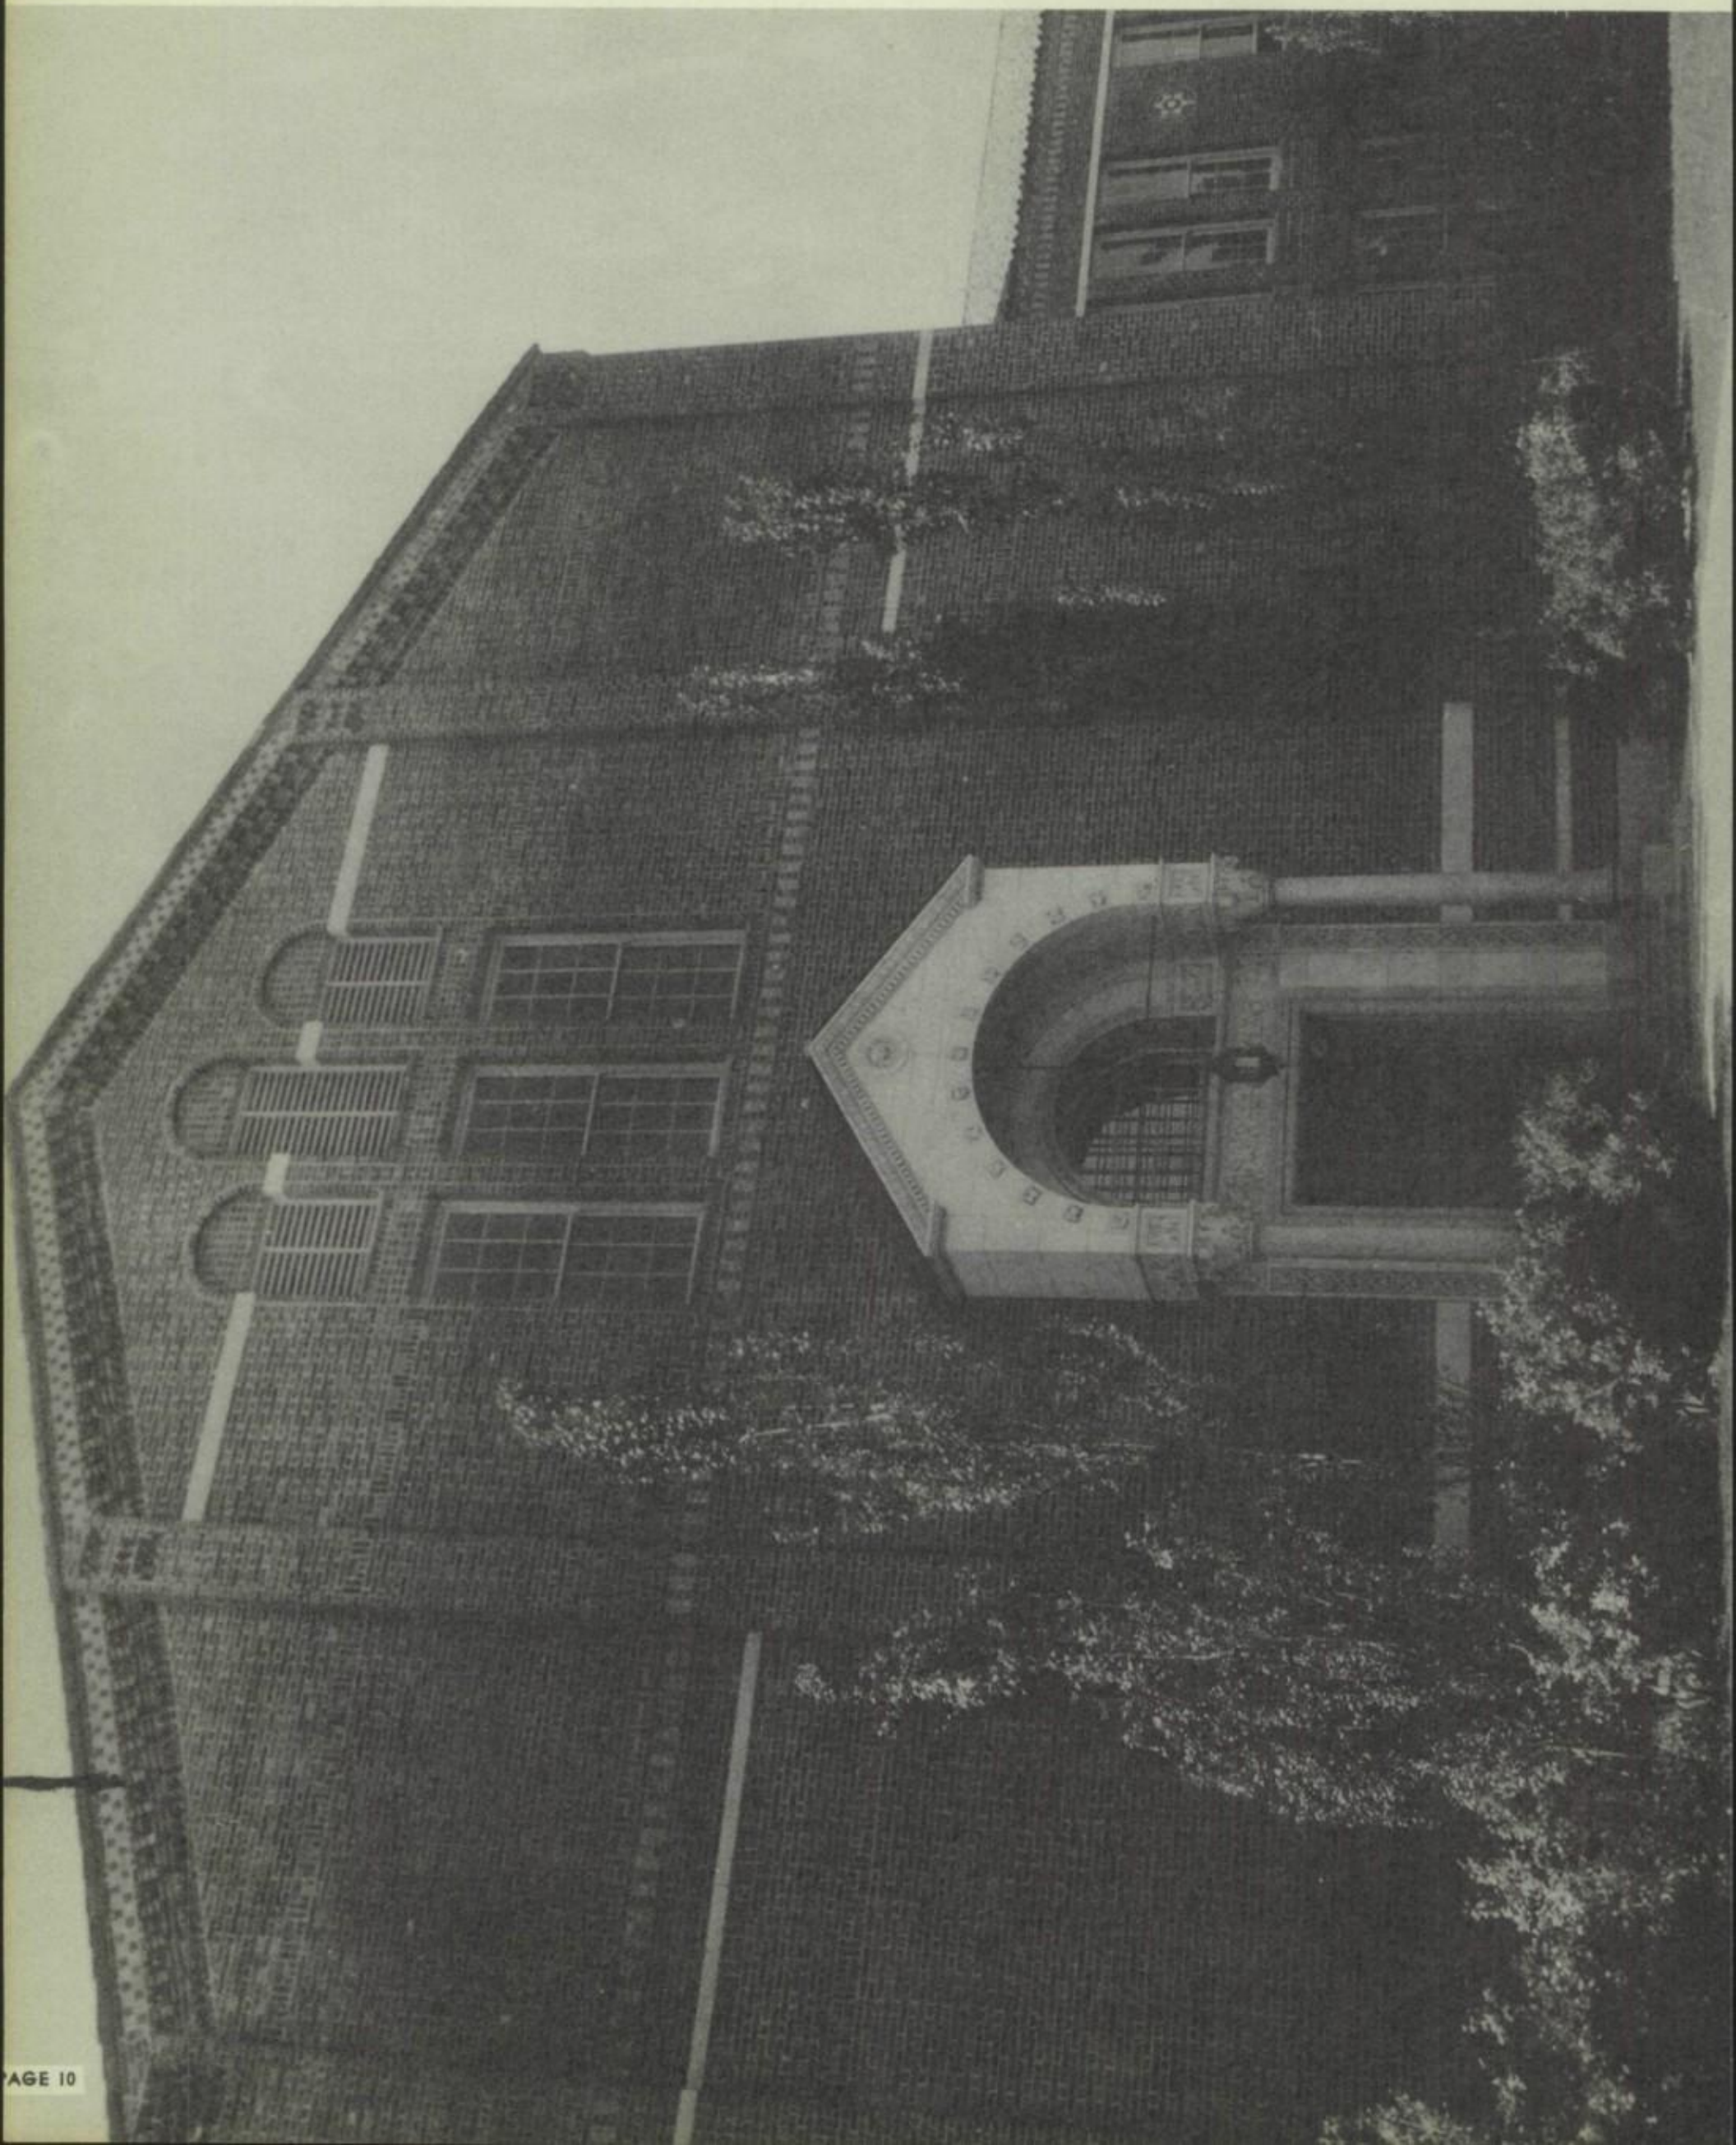

With our colors proudly flying

we will fight with all our might...

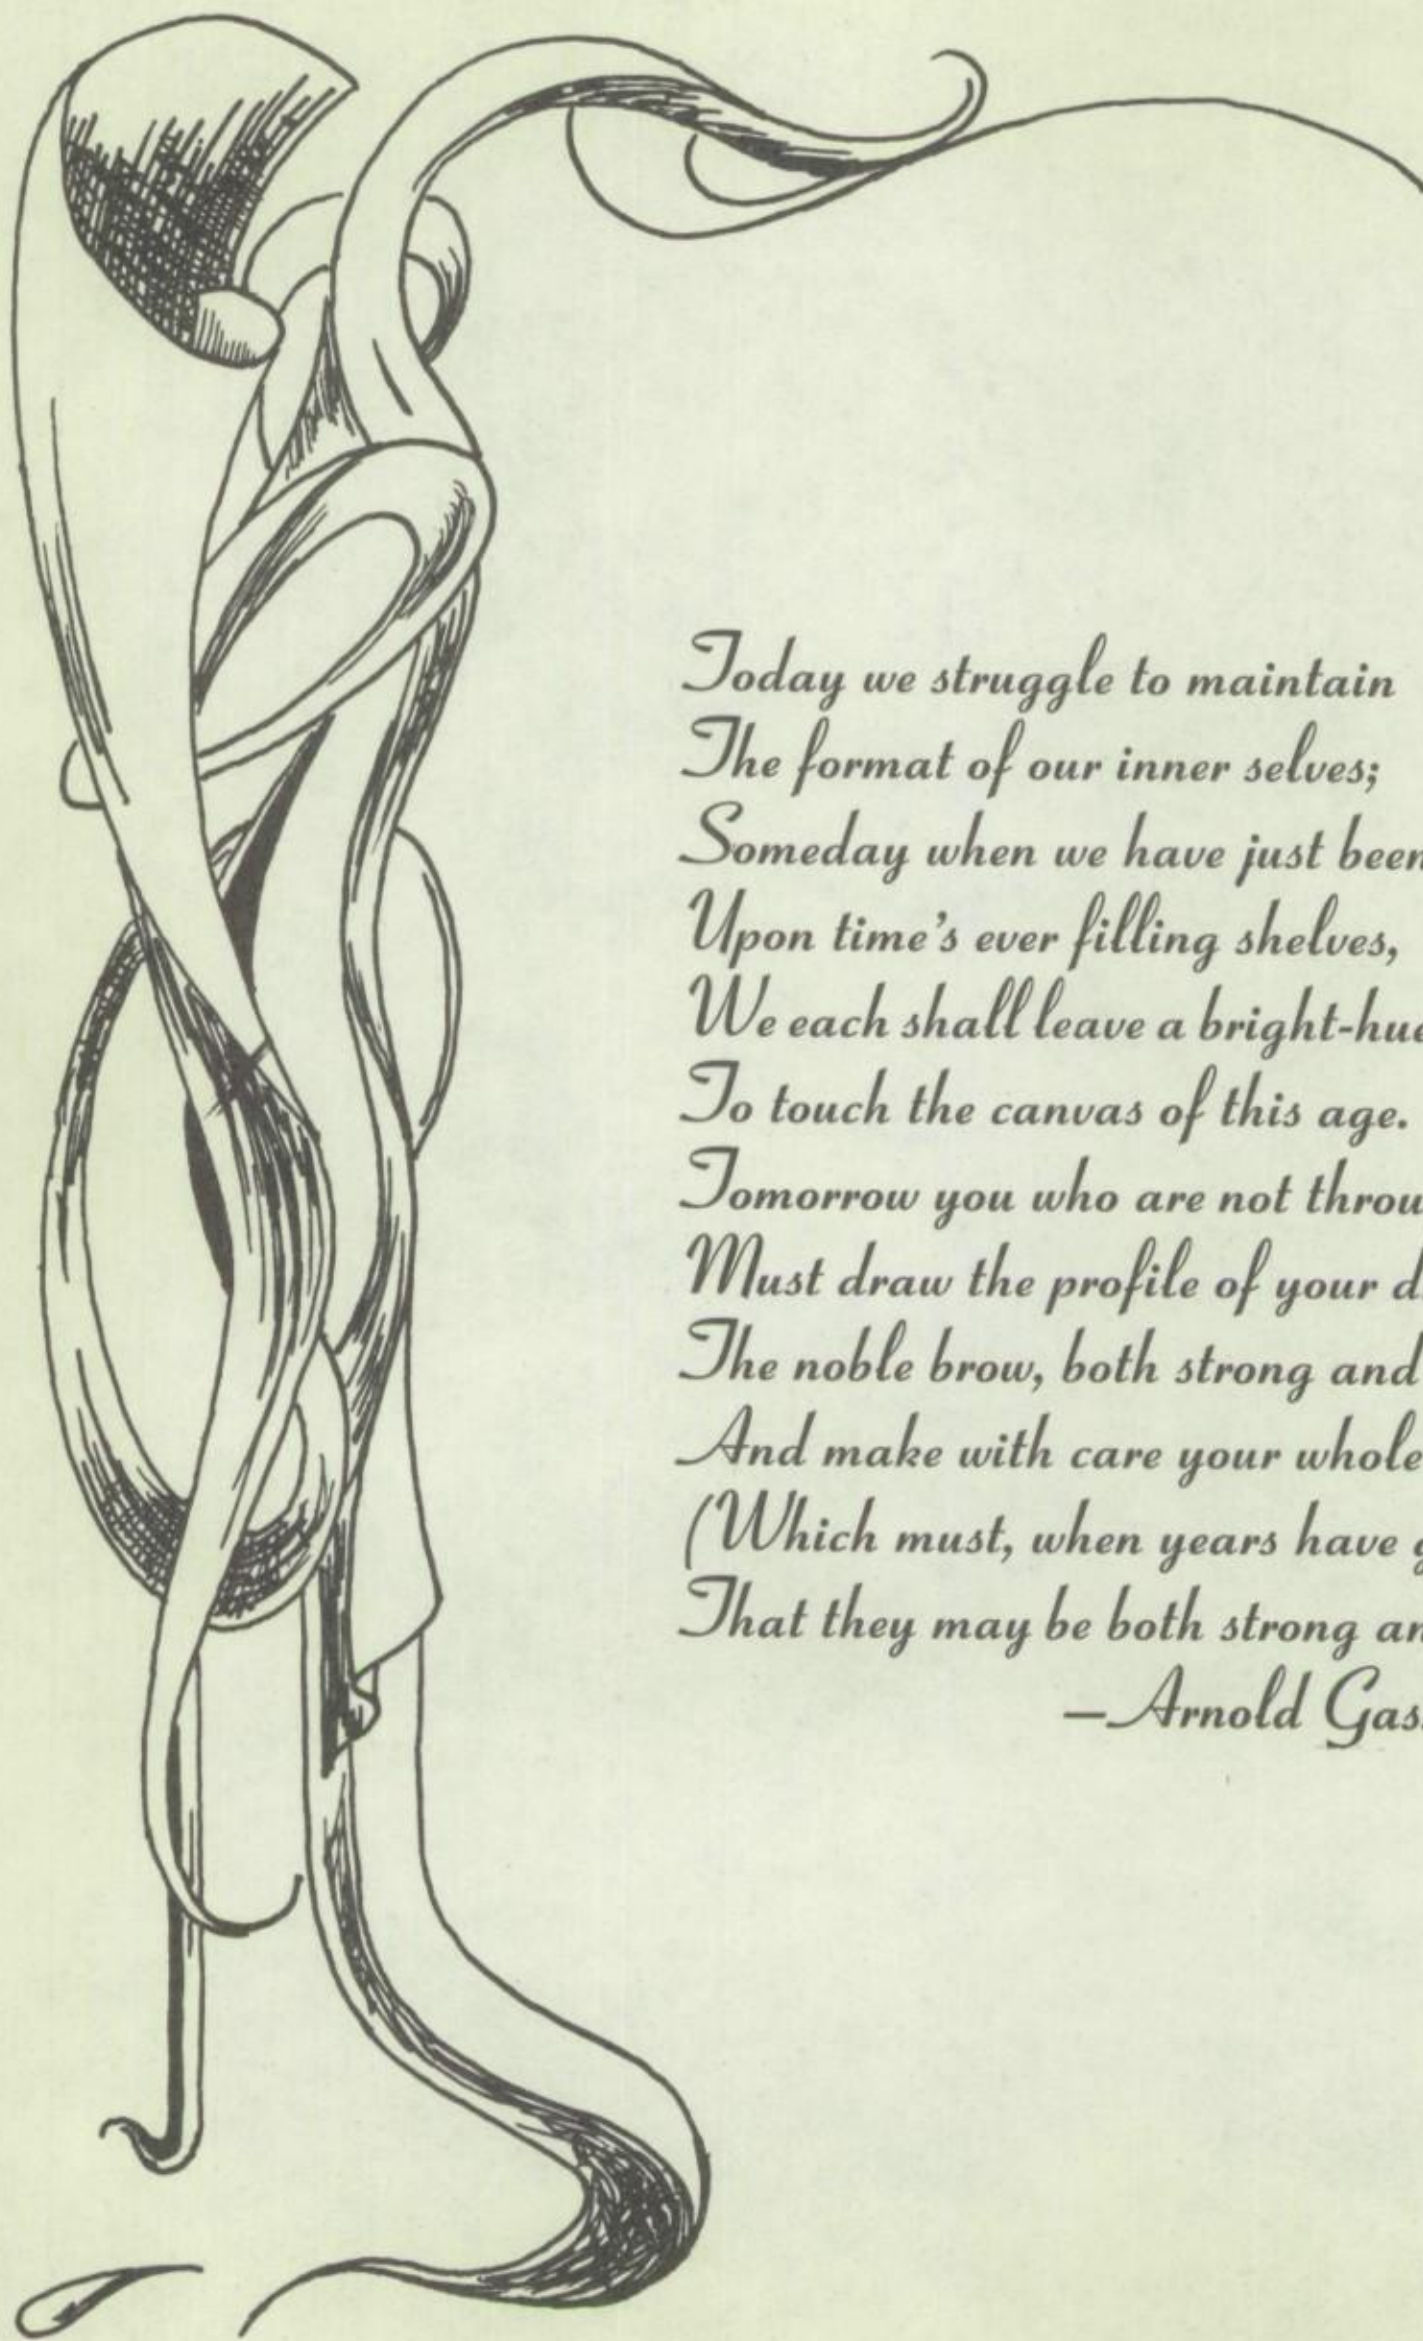

So here's to our South High School,

to the purple and the white!

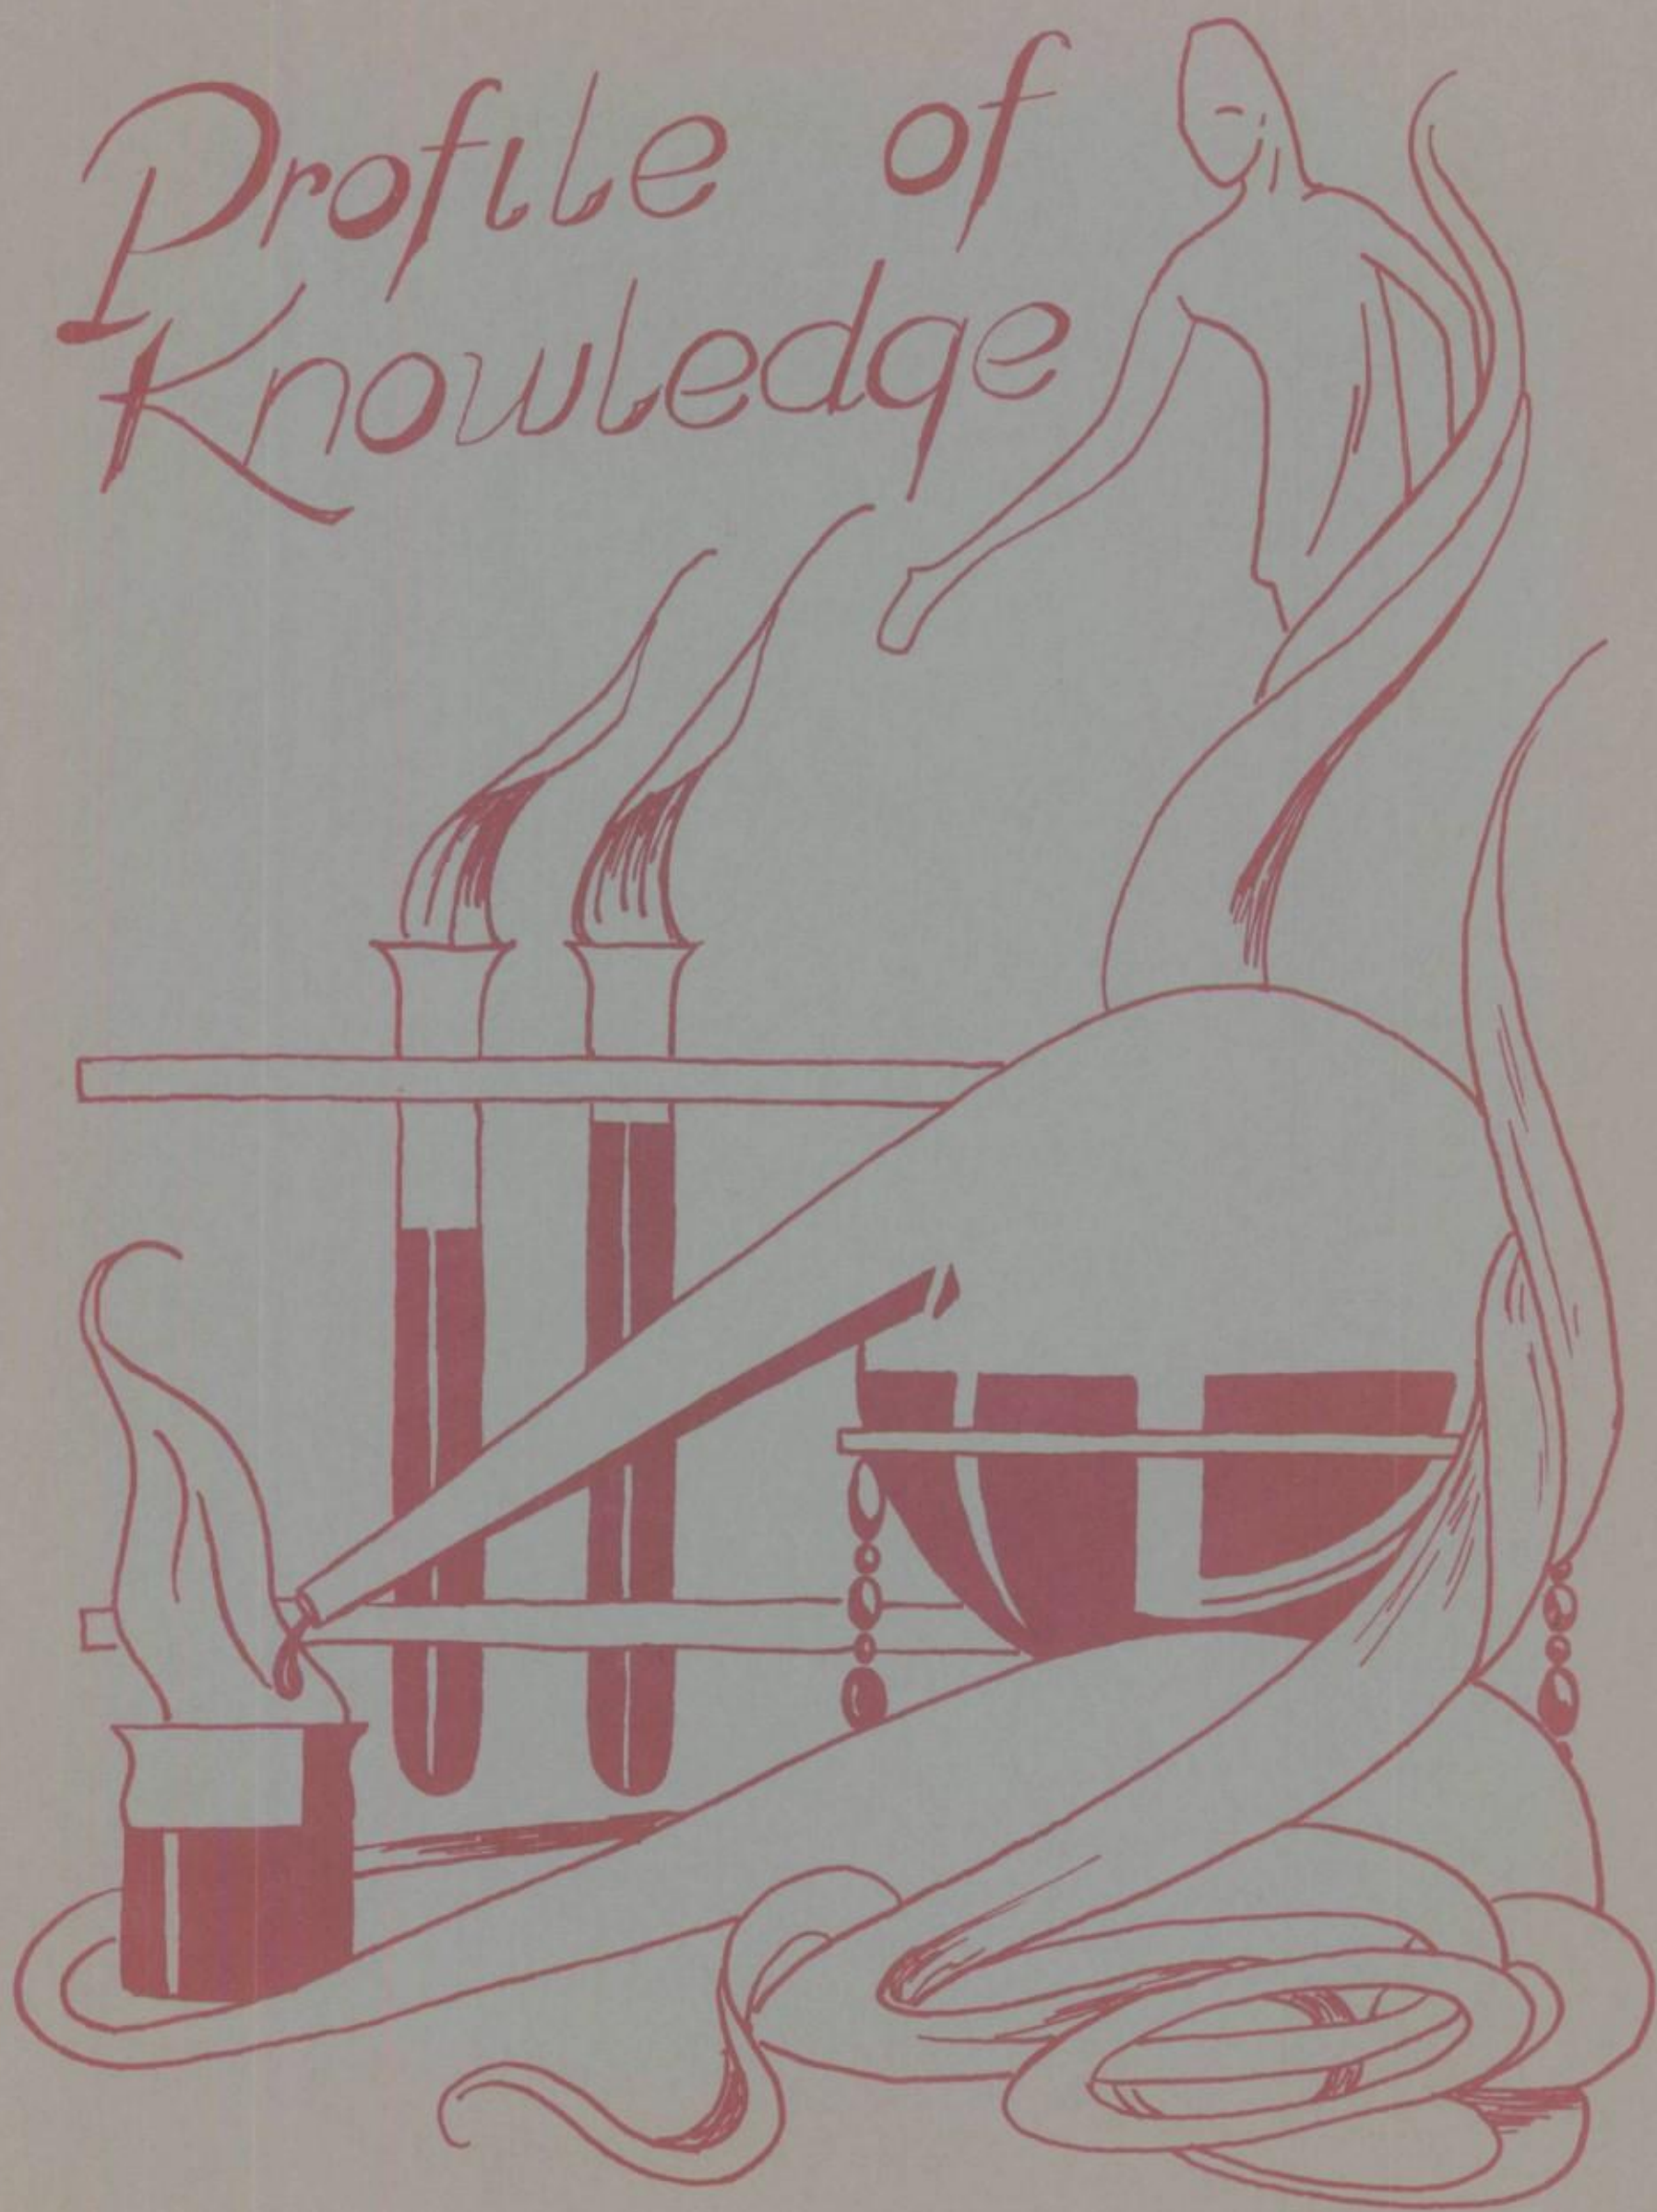

*Today we struggle to maintain
The format of our inner selves;
Someday when we have just been lain
Upon time's ever filling shelves,
We each shall leave a bright-hued stain
To touch the canvas of this age.
Tomorrow you who are not through
Must draw the profile of your dreams—
The noble brow, both strong and true—
And make with care your whole life's schemes,
(Which must, when years have gone, seem new)
That they may be both strong and sage.*

—Arnold Gassan

Profile of Knowledge

*"Finally, education alone can conduct us to
that enjoyment which is, at once, best in
quality and infinite in quantity."*

Annual Staff

"We need more pages for that dummy," yells Editor Joanie Shepherd, running frantically around room 258 tearing everybody's hair out. This is one of many things Annual Staff went through, thinking every minute it would never end—but it finally did. What was the result? "Profile — 1947." Mrs. Charlotte Greenway is the sponsor of these stark, raving mad journalists.

"S" Club

South's "S" Club is open to all boys earning a letter in any field. Annually the club sponsors a Father and Son banquet and a dance. There are two initiations every year so that the club gets everyone earning a letter. The spring initiation is for letter makers in baseball, track, wrestling and swimming. The fall initiation includes football, golf, and tennis.

Girls' Sports Club

Many Rebelettes belong to the Girls' Athletic Association which includes all main sports. These girls must make 750 points to become members of the Girls' Sports Club. One hundred points are made by participating in major sports, including volleyball, basketball, and softball. In minor sports, points are given for each game played in a tournament.

Hi-Y

"To create, maintain, and extend through the school and community, high standards of Christian living" is the aim of the Hi-Y of South. Under the sponsorship of Mr. Francis McCulley, they seek to accomplish this through clean living, by clean scholarship, clean sportsmanship, and clean speech. They meet in the South tower, supposedly the highest Hi-Y in the country.

Every team must have its manager. Here at South we have three competitors for Purple and White Day points, and the sophomore, junior, and senior councils, helped by able sponsors, serve as managers for them. These are the groups who plead, pull, and threaten us through many campaigns, the P.T.A. drive, the March of Dimes, with its paper drive, and all the rest.

"Silhouettes in Blue," the senior prom, was held January 17 in the traditional ballroom, the Lincoln Room of the Shirley Savoy Hotel, with maestro Johnny Roberts and band occupying the bandstand. The room was dimly lighted in blue and silhouettes, scattered around the walls near the throne and bandstand, lent a very dignified air to this important affair.

The Junior Prom, alias the "Carrousel Classic," was held in the Lincoln Room of the Shirley Savoy for the first time in South's history. Dancers enjoyed the smooth music of Johnny Roberts and his band, and applauded the coronation of the Prom queen. The successful night ended at twelve with everyone impressed by the decorations, and the romantic mood of the occasion.

Peppermint

"Peppermint Lick" was the name given the Annual-sponsored dance and bids and decorations carried out the theme to the nth degree.

Lick

This social event took place on April 26 with Johnny Roberts' band supplying the music.

Lettermen's Leap

Lettermen and dates leaped to the music of Johnny Roberts and his band on March 1, at the S Club dance, "Lettermen's Leap." Something new in bids was presented. They represented the certificates awarded to lettermakers.

Stadium Stomp

As kickoff time rolled around on November 16, 1946, the "Stadium Stomp" began when crowds of Rebels and Rebelettes danced under the goalposts into the field to the music of Howard Farrand and his mellow musicmasters.

The Gargoyles Speak

The gargoyles discussed the seniors and compared their years at South to a rainbow; green for sophomore, red for junior, and blue for senior years.

Gentleman and the Ruby

"The Gentleman and the Ruby" proved to be a stealthy success as the gentleman was chased all through the show by gangsters, in search of a ruby.

Prospectors of Two Centuries

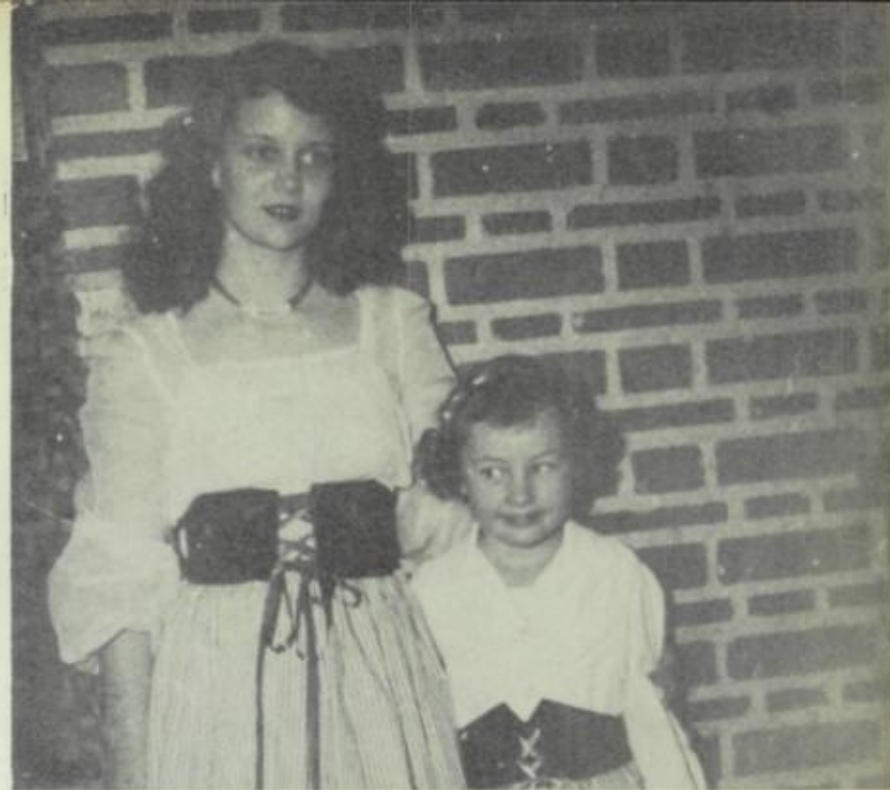

On April 11, the sophomore class in true '49er spirit presented the "Prospectors of Two Centuries" contrasting old and new elements pleasantly.

Christmas Service

The annual Christmas Program was given for the P.T.A. on December 18. The advanced vocal groups performed under Miss [Name] and narrators provided continuity to the program.

Application for Life

The Annual Show, "Application for Life," presented something new in the way of a theme and also brought to light some heretofore unheard of talent. The show was on November 8.

R. O. T. C. officers and dates danced to music of Johnny Roberts' band at the second officer's Dinner Dance.

Officers' Dinner Dance

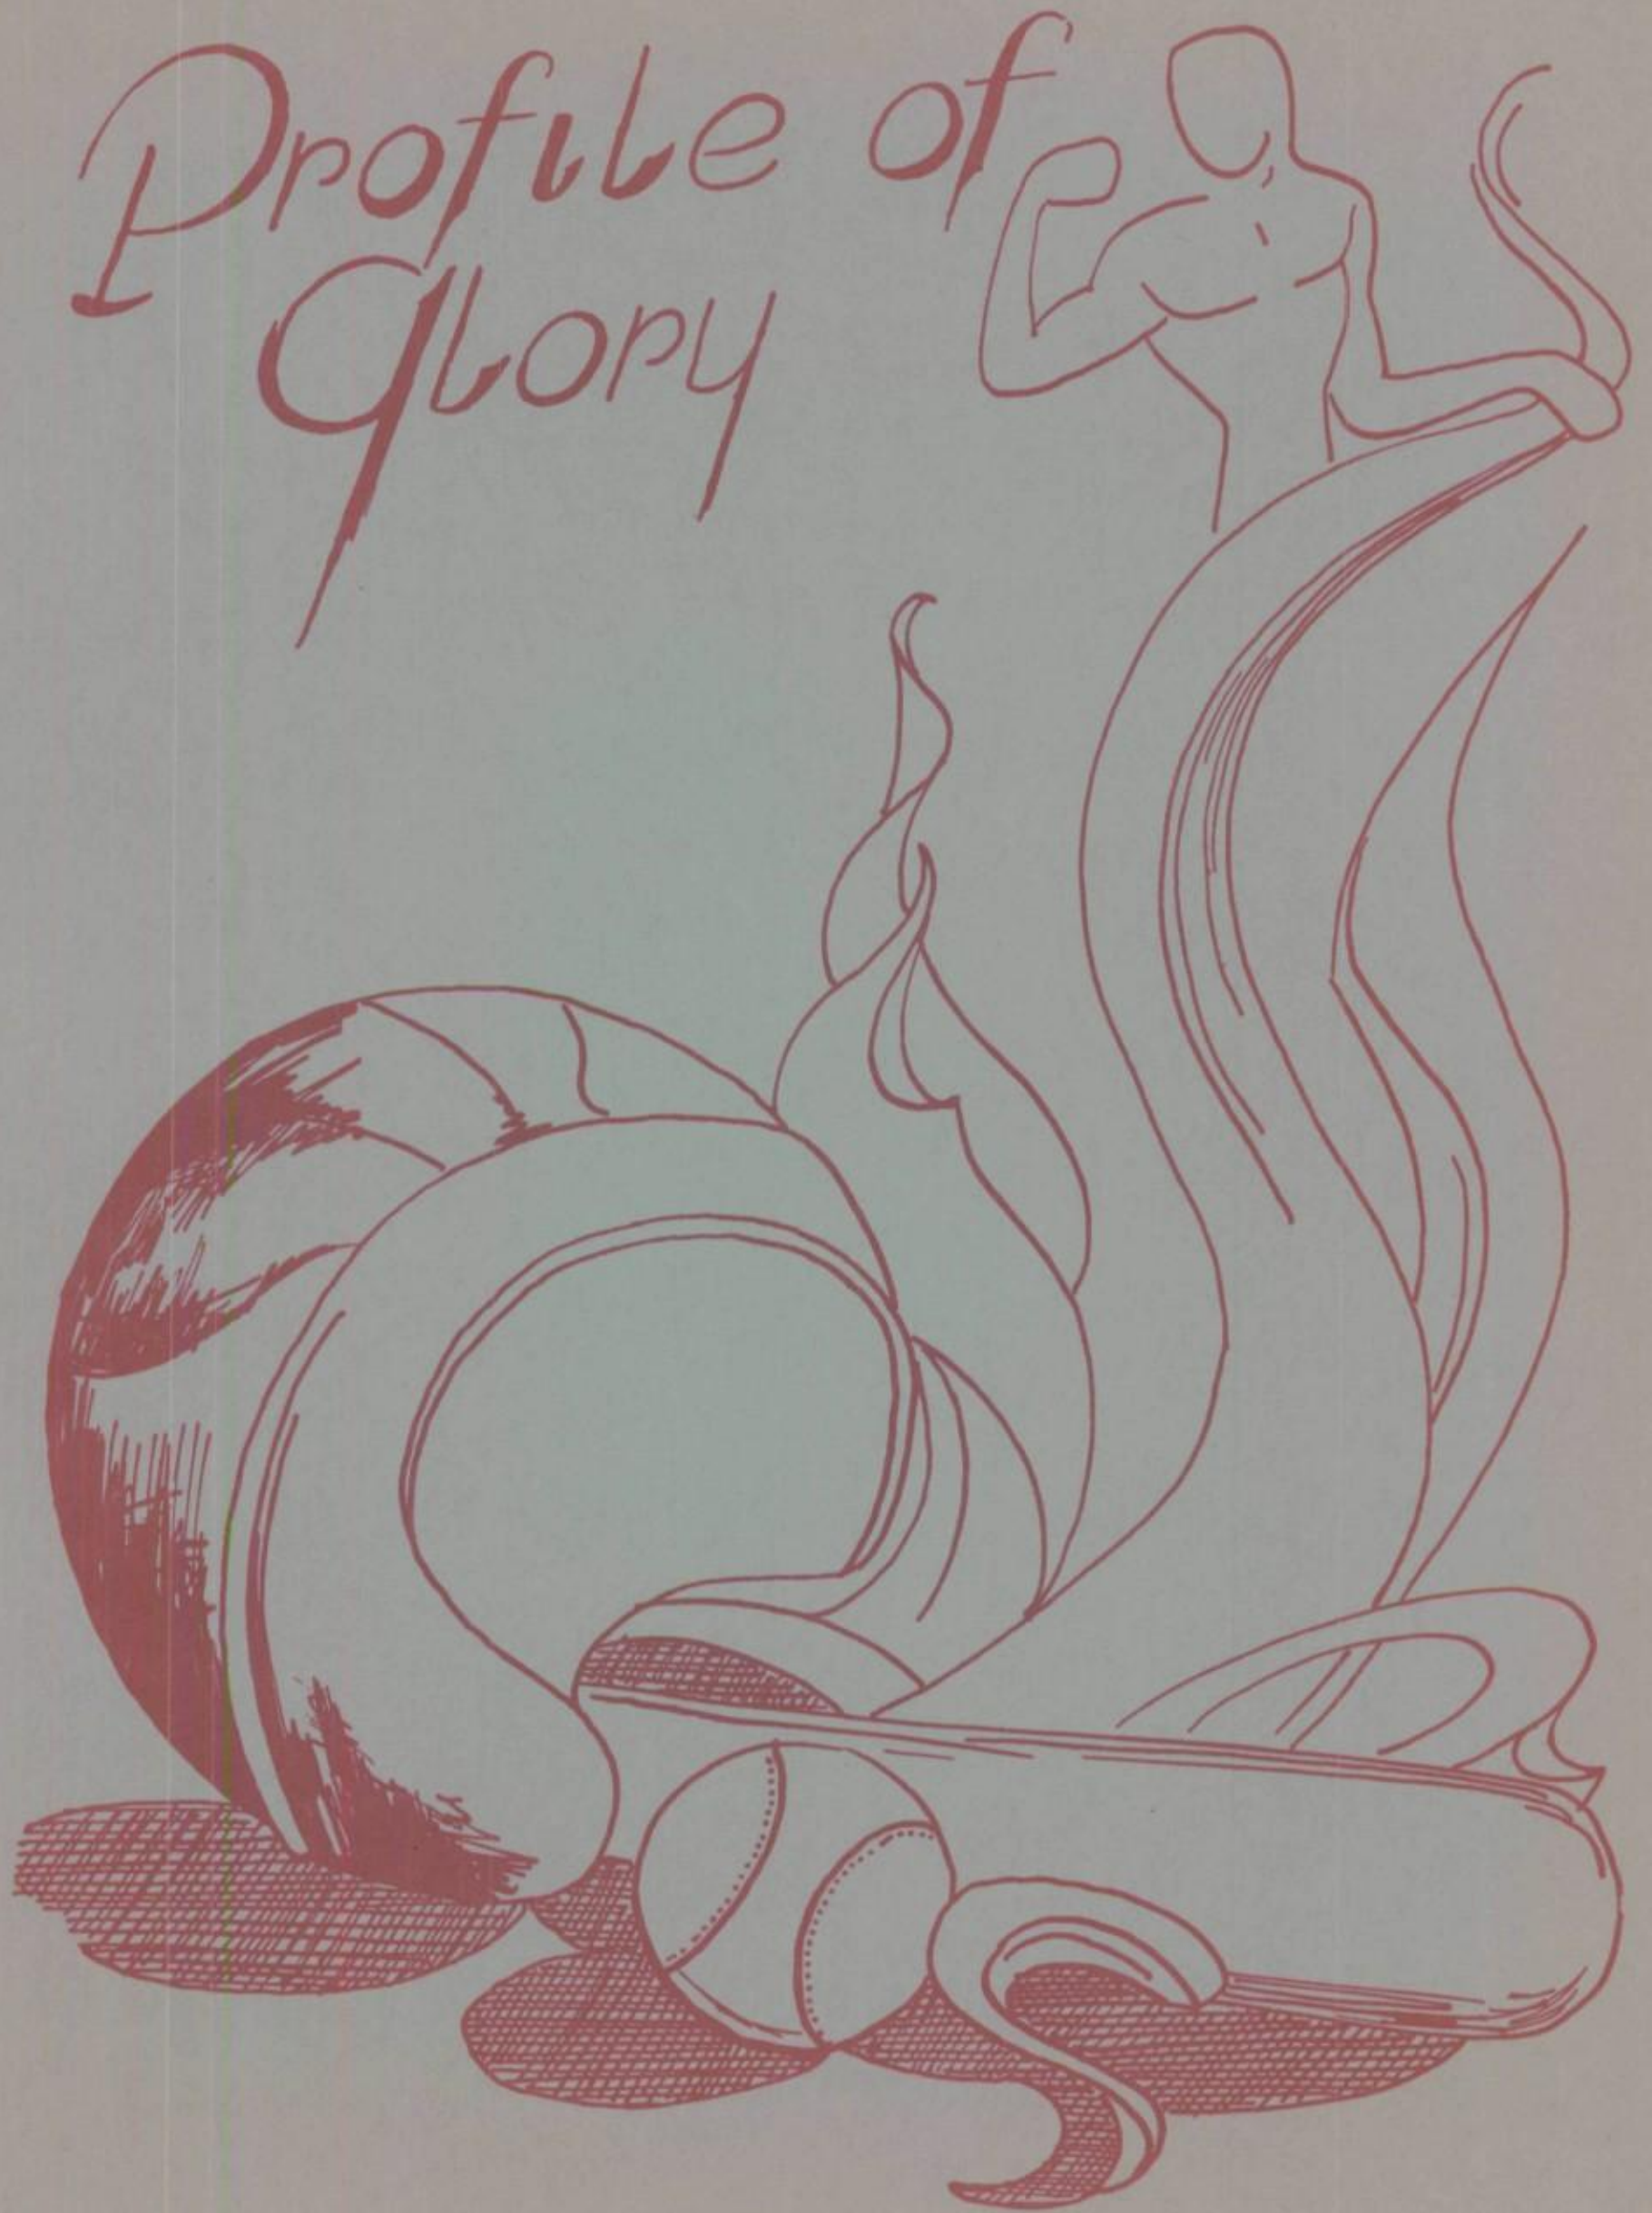

Pastel Parade

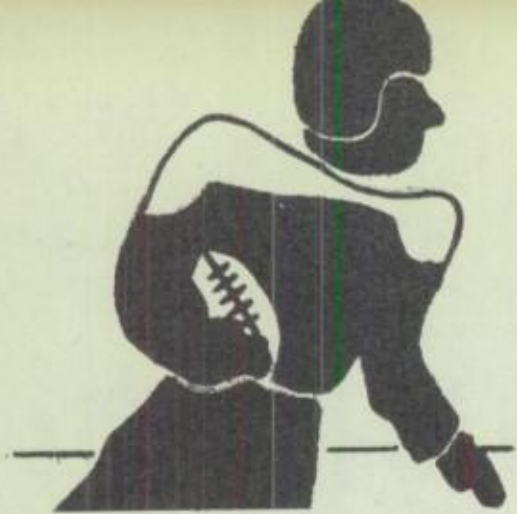

"Pastel Parade," the all school show, was on January 10 and 11. Orchestra under Johnny Roberts, dance lines under "Lou" Aymer, and stage direction by "G. J." Willsea, produced a smooth, finished show.

Coach Waldman

The Southerner who has not had Coach Sam Waldman for tennis, golf, or English instruction has missed a major experience at South. The Rebels took a close second in both sports.

Coach Mielenz

Assisted by Coach Frank "Nigs" Mielenz, the sophomore football team was undefeated this season. "Nigs" is coach of sophomore basketball, assistant coach of track, and teaches gym.

Coach Brennecke

That dark, handsome man, wandering around South's corridors, Coach Fritz Brennecke, coached the championship football team this year, and baseball and swimming this spring.

Coach Ketcham

South began the basketball season with "flying colors" under the dynamic leadership of smiling 6', Coach Finis Ketcham, ending with the city and state title. He also assisted in football.

Coach Stone

Coach Garnet Stone is in charge of sophomore football, wrestling, and track. He teaches several gym classes, and is respected by all Rebels. South took third place in wrestling.

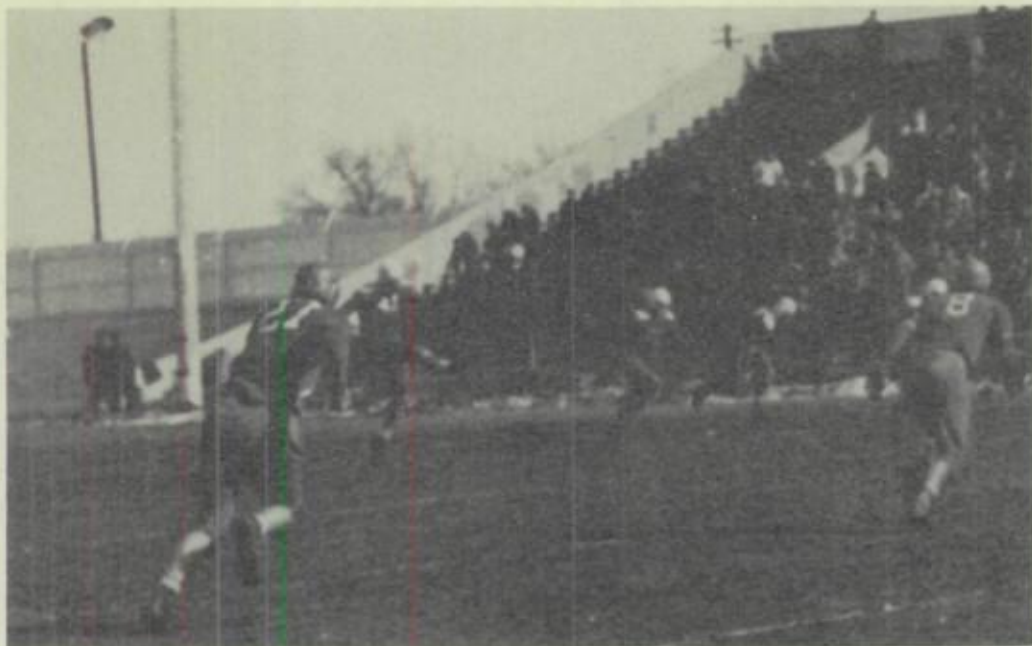

Varsity

Denver Public Schools lost three weeks of football practice, because of polio, and four weeks of actual games, because of snowstorms; therefore, the season was only half completed. There were only five returning lettermen this year. They were: Bob Johnson, Bob Day, Bob Brunner, Dave Gibson, and Al Murray. In the second game of the season South was defeated by the Northern Vikings, but the Rebels, both the student body and the team, were out to win. In all the other games South was way out in front.

North's outstanding player was Freddie Steinmark. Thanksgiving Day was the day of reckoning. There, at Hill Top Stadium, South convincingly won over North. Southern pigskin pushers were small, but, also, powerful and fast. Dave Gibson, center; Arlie Beery, back; Myran Craig, back; Earl Lawrence, end, made the all-city team. The managers of the team were Bob Seigrist and Walter Burns. Myran Craig and Mickey McMullen were elected honorary captains of the team. We are all grateful to Mr. Brennecke for leading South to victory.

Never before in the history of the Denver Public School has a basketball team been undefeated an entire season. Last year South and East tied for first place. Confederates won State Championship from Boulder, defending champions, in the Colorado AA tournament this year March. Chuck Darling, center, and Myran Craig, guard, made All-city squad; Arlie Beery, forward, received second team honors. This was Beery's first year of basketball. Darling set a new record of 145 points in league competition, an average of 18.1 points a game. The five letter men that returned to defend South were:

Dawn of Peace

With the end of the war in the summer of 1945 the junior class entered South for the beginning of its last few years in school. Its theme became the "Dawn of Peace." Under the guidance of sponsors, Miss Virginia Hammel and Mr. Wilfred Miller, president, Bob Cowen, vice-president, Janet Black, and secretary, Barbara Angell, a bright future is predicted for tomorrow's seniors. Some energetic juniors have already begun to accept many of the responsibilities which keep South High School on the beam.

As vain, and gay, and mortal as ourselves."

Knowledge is Strength

"To the Glory of our high school——"
With these familiar words still ringing in its ears, the graduating class marches on to a brighter horizon. "Knowledge is Strength" is the theme of the Class of '47, ably sponsored by Miss Eugenie Guindon and Mr. Walter Holcombe. Under the leadership of president, Bob Johns; vice-president, Ann Argall, and secretary, Willa Jean Mackey, they have proved themselves an outstanding class, and take their places as men and women in the world of today.

Dear Charla,

It was real
swell knowing you.
I've always had lots
of fun swimming,
too bad I can't swim.

In future years, as our profile becomes more complex, may we look back to high school where the first inkling of its outline was revealed. Already the jagged, bleeding profile of war is healing. With each succeeding year, our profile becomes more definite and symmetrical as our interests widen and scars of adolescent strife and uncertainty vanish. Let us profit from our 1947 Profile.
